

Magazine Drive Winners

On Thursday, April 10, all the Magazine Drive Winners were invited down to the gym with their classrooms to receive their winnings. Several students were able to have 30 seconds in the money machine, including Morgan King and Julia Crowley, who both managed to pull out \$11!

Julia is pictured in the money machine pushing money out the slot to a waiting helper, and Morgan shows off her winnings after her turn.

Annalee Mattson won a variety of items for a room makeover, and is pictured with Mrs. Biel and her items.

Mr. Jim Cahill, our magazine representative who makes all this possible, is behind them. Brendan and Patrick Sise won a \$50 gift card, presented by Mrs. Biel, for being the top sellers in the school. They EACH sold 30 subscriptions!

Each of the top selling classrooms received a lion to decorate and enter in a lion race. The winning room, Mrs. Plocharczyk's 4th grade, will receive a pizza party! All of our students did an excellent job this year, selling more than \$5,000 worth of subscriptions! The money will be used for the school and tech fund.
