

St. Alexander Gives Hope

St. Alexander students, Clare Kennedy and Mariclare Touhy presented a check for \$200 to Sarah Nassin, Development Coordinator at Hope Children's Hospital on Wednesday, January 28, 2009. The money was collected and given as part of the Catholic Schools' Week emphasis on service. Students traditionally receive a small gift during Catholic Schools' Week, but this year they chose to forgo their gifts and share with the hospital.
