

St. Alexander Magazine Sale

Funding Technology

Our St. Alexander families spend over \$28,000 a year on magazine subscriptions. We can retain 40% (over \$10,000) in our school through this Great American program. As in the past, funds will be used to update computers and technology.

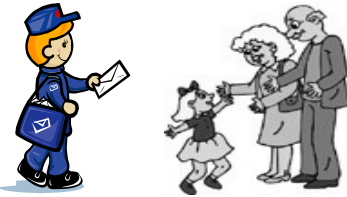

There are three ways to participate.

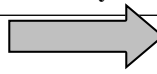

Review the booklet and place your order. Order or renew. You will receive a bill in the mail.

Order on line at www.gaschoolstore.com. While there, register to send e-mail links.

Complete the Reach Out Post Cards to out of town friends—these really work!

Please see the St. Alexander website for more information.
